Public Symposia

Leading the Way
Friday, September 21, 2018
11:00am - 1:30pm, 3rd floor Spinks Building, University of Saskatchewan

An interactive social gathering to learn about the impact that our Saskatchewan researchers are making on a global scale, from using big data to transforming plant breeding to improving the quality and sustainability of water.

Pixar Presentation
Friday, September 21, 2018
1:30pm - 2:30pm, Neatby-Timlin Theatre, University of Saskatchewan

CS Alumni Presenters: Darwyn Peachey & Byron Bashforth, Pixar

Opening Ceremony & Banquet
Friday, September 21, 2018
5:30pm - 11:00pm, Marquis Hall, University of Saskatchewan

The opening ceremony and banquet is an opportunity to reconnect with old friends over good food. The evening will include reminiscing stories of the good ol' days from faculty and friends. Held at Marquis Dining Hall on campus, this evening affair will be nothing short but memorable.
Saturday, September 22, 2018

**Celebrating CS**  
Saturday, September 22, 2018  
9:00am - 12:00pm, Neatby-Timlin Lecture Hall (Arts 241), University of Saskatchewan

Start the day with a continental breakfast, followed by welcome messages and an alumnus speaker, Russ Muzzolini, one of our engaged Computer Science alumni.

**Technology Symposia**

**Leading the Way**  
Saturday, September 22, 2018  
1:30pm - 4:30pm, 3rd Floor Spinks Building, University of Saskatchewan

An interactive social gathering to learn about the impact that our Saskatchewan researchers are making on a global scale, from using big data to transforming plant breeding to improving the quality and sustainability of water. Refreshments will be served.

**Professional Development**  
Saturday, September 22, 2018  
1:30pm - 4:30pm, Thorvaldson Building, University of Saskatchewan

Technical presentations and panels by Computer Science faculty and alumni on cutting-edge topics in gaming, health, blockchain, and entrepreneurship.

**CS Social & Reunions**  
Saturday, September 22, 2018  
5:30pm - 11:30pm, Thirsty Scholar, Saskatoon, SK

Join us at a nearby pub where Computer Science alumni, friends, and community can casually reconnect over dinner and drinks. We invite alumni to organize class reunions and celebrate with former classmates.

Sunday, September 23, 2018

**Farewell Brunch**  
Sunday, September 23, 2018  
10:00am - 1:00pm, Dr. Tony Kusalik's Acreage

Conclude the weekend with a good ol' fashioned Sunday brunch. Hosted at one of our beloved faculty member's beautiful acreage, share some lasting memories and make new ones over food, games, and laughs.
