
University of Saskatchewan

SCHEDULE OF EVENTS

Friday, September 21, 2018

Public Symposia

Leading the Way
11 am–1:30 pm
3rd floor Spinks Building, U of S

Research demonstrations and displays by Computer Science graduate students.

The World of Animation
1:30–2:30 pm
Neatby-Timlin Lecture Hall (Arts 241), U of S

Keynote presentation by CS alumni **Darwyn Peachey** and **Byron Bashforth**, Pixar Animation Studios

Opening Ceremony and Banquet

5:30–11pm

Marquis Hall, U of S

Saturday, September 22, 2018

Celebrating CS

Neatby-Timlin Lecture Hall (Arts 241), U of S

Continental Breakfast
8:30–9:30 am

Welcome
9:30–10 am

President Peter Stoicheff; Dean Peta Bonham-Smith, College of Arts and Science; Kevin Stanley, Department Head, Computer Science.

50 years in the Department of Computer Science
10–10:30 am

Professor Emeritus Winfried Grassmann

The Ethical Conundrum of Personalization
10:30–11:15 am

Professor Julita Vassileva

To Silicon Valley and Back
11:15 am–12 pm

CS alumnus, Dr. Russell Muzzolini

Networking Lunch

12–1:30 pm
Marquis Hall, U of S

Sharing Our Stories

Changing The World Through Research
1:30–3 pm
Room 159, Thorvaldson Building, U of S

Professor Nathaniel Osgood and Carl Gutwin

Leading the Way
3–3:45 pm
3rd Floor Spinks Building, U of S

Research demonstrations and displays by Computer Science graduate students. Coffee and refreshments are served.

Entrepreneurship Panel
3:45–4:30 pm
Room 159, Thorvaldson Building, U of S

Panelists: alumni Daniel Simair, Jeff Dyck and Jordan Schidlowsky. Moderated by Kevin Stanley, Department Head.

CS Social & Reunions
5:30–8:30 pm (party continues until closing time)
Louis' Pub, U of S

Sunday, September 23, 2018

Farewell Brunch

10 am–1 pm
Leo Kristjanson Agriculture Atrium, 51 Campus Drive, U of S

STUDENT EVENTS

** Please note the following are open to CS students only.*

CS50 Network Security Workshop
2–3 pm (September 21, 2018)
Room S320, Spinks building, U of S

9 am–4 pm (September 22, 2018)
Room S320, Spinks building, U of S

Led by Tom Levasseur, a Certified Information Systems Security Professional (CISSP), Certified Ethical Hacker (CEH), GIAC Web Application Pen Tester (GWAPT) and Cyber Ninja, you will learn how a hacker thinks and exploits poor network and web security. No previous experience is required, but Unix knowledge will be a big help.

Fall Programming Contest
9 am–4 pm (September 23, 2018)
Room S320, Spinks building, U of S

The ACM Intercollegiate Programming Contest is a competitive event in which teams of three students strive to write computer programs that will solve challenging problems. The team that solves the most problems within the time limit wins the event.

**Open to Aries lab alumni only*

Aries Lab Shutdown Party
7 pm–12 am (September 22, 2018)
Hampton Inn South in Stonebridge

Hosted by Professor Emeritus, Gord McCalla

ARTIFACTS OF COMPUTING

Open to public between September 20 to October 15, 2018
Hours: Mon–Fri: 9 am – 4 pm; Saturday 12–4:30 pm
Museum of Antiquities, Room 106, MacKinnon Building, U of S

A Museum of Antiquities and Computer Museum collaboration to celebrate the 50th anniversary of the Department of Computer Science at the University of Saskatchewan.

Curated by Elyse Jensen
