Public Symposia

**Leading the Way**
Friday, September 21, 2018
11:00am - 1:30pm, 3rd floor Spinks Building, University of Saskatchewan

An interactive social gathering to learn about the impact that our Saskatchewan researchers are making on a global scale, from using big data to transforming plant breeding to improving the quality and sustainability of water. This session will also include a tour of the Biomedical & Interactive Graphics (BIG) lab.

**Pixar Presentation**
Friday, September 21, 2018
1:30pm - 2:30pm, Neatby-Timlin Theatre, University of Saskatchewan

CS Alumni Presenters: Darwyn Peachey & Byron Bashforth, Pixar

Opening Ceremony & Banquet
Friday, September 21, 2018
5:30pm - 11:00pm, Marquis Hall, University of Saskatchewan

The opening ceremony and banquet is an opportunity to reconnect with old friends over good food. The evening will include reminiscing stories of the good ol' days from faculty and friends. Held at Marquis Dining Hall on campus, this evening affair will be nothing short of memorable.
Saturday, September 22, 2018

**Celebrating CS**
**Saturday, September 22, 2018**
9:00am - 12:00pm, Neatby-Timlin Lecture Hall (Arts 241), University of Saskatchewan

Start the day with a continental breakfast, followed by welcome messages and presentations by professor Julita Vassileva and alumnus Russ Muzzolini.

**Sharing Our Stories**
**Leading the Way**
**Saturday, September 22, 2018**
3:00pm - 3:45pm, 3rd Floor Spinks Building, University of Saskatchewan

An interactive social gathering to learn about the impact that our Saskatchewan researchers are making on a global scale, from using big data to transforming plant breeding to improving the quality and sustainability of water. Refreshments will be served.

**Changing The World Through Research**
**Saturday, September 22, 2018**
1:30pm - 3:00pm, Thorvaldson Building Room 159, University of Saskatchewan

Technical presentations and panels by Computer Science faculty and alumni on cutting-edge topics in gaming, health, blockchain, and entrepreneurship.

**Entrepreneurship Panel**
**Saturday, September 22, 2018**
1:30pm - 3:00pm, Thorvaldson Building Room 159, University of Saskatchewan

A lively panel discussion by CS alumni and entrepreneurs, centered around stories about building their businesses, and moderated by department head, Dr. Kevin Stanley.

**CS Social & Reunions**
**Saturday, September 22, 2018**
5:30pm - 8:30pm, Louis Pub, Saskatoon, SK

Join us at the campus pub where Computer Science alumni, friends, and community can casually reconnect over appies and drinks. An all years class reunion will be held to celebrate with former classmates.

Sunday, September 23, 2018

**Farewell Brunch**
**Sunday, September 23, 2018**
10:00am - 1:00pm, Dr. Tony Kusalik's Acreage

Conclude the weekend with a good ol' fashioned Sunday brunch. Hosted at one of our beloved faculty member's beautiful acreage, share some lasting memories and make new ones over food, games, and laughs.
