Computer Science Main Office (Thorvaldson)	Answer A Riddle In The Main Office	

Computer Science

Scavenger Hunt

Welcome to the Department of Computer Science

Let's kick off this year by having a bit of fun! During the week of September 11th you are invited to participate in our scavenger hunt. Upon completion you will be entered into a prize draw to win one of ten awesome prizes!

Here are the rules (they're super easy!):

1. Go to each location on the list located on the back of this page and answer/complete the tasks assigned.
2. You may do this on your own, or as a team. If you work as a group each person will have their name entered into the draw.
3. You're allowed to ask for help when needed.
4. In order to be entered in to win the prize draw you must submit this form to the Computer Science Main Office, (located in Thorvaldson 176), where you will receive your final task.
5. Be sure to write your name, NSID, student number, and year on this form.
6. The deadline to complete the scavenger hunt is Friday September 15th at 2:00 pm. Submissions can be dropped off at the Computer Science main office.
7. **HAVE FUN!**

Name: _____

NSID: _____

Student No.: _____

Year in Program: _____

Don't forget to pick up your **FREE** ticket for the Computer Science Welcome Lunch on Wednesday September 13th from 12:00 pm to 1:30 pm on 3rd Floor Spinks.
